What to Expect

Song:

Our Song Team has 3 beautiful songs and arrangements to share with you this weekend. These will be released as pre-recorded videos so you can learn the parts in your own time, and then there will be a live Zoom session on Sunday so everyone can ask any questions they have, sing together, and meet other wonderful people!

Mini Challenge:

Keep an eye on our social media pages for some exciting mini daily challenges!

Ceilidh Project: Dance:

Have you ever wondered what it takes to be a caller? Or had the urge to help write your own new ceilidh dances? Well, look no further! With a double bill this weekend, Shooting Roots are offering two live workshops on Zoom, one based on Ceilidh dalling, and the other on how to write your own Ceilidh dances! Maybe in the future you will even be able to call a dance you've written yourself! Many current young callers started their calling journey at a Shooting Roots workshop, so come along and meet other awesome young people interested in the world of ceilidhs. All abilities welcome.

Ceilidh Project: Band:

Join us for a one-off workshop in how to play for a ceilidh! Bring your instrument, from kitchen spoons to concert piano, and learn how to make a simple tune into an exciting arrangement to accompany a ceilidh!
